Test Week 7 Exam

Started

Submitted

Due Date

Status Completed

Attempt Score 50 out of 50 points

Time Elapsed 9 minutes

- Instructions
- Your Exam will consist of 25 randomly-selected multiple-choice questions.
 - You can take this exam up to three times (you can take it only once or twice if you are satisfied with your score).
 - Each iteration of the exam will be randomized (i.e., the first exam will not look exactly like the previous exam).
 - Your last exam submitted by the due date will be your final score (i.e., it is not your highest or the average, but rather the last attempt).
