Reflecting over the weekly reading and lesson video *The New Deal Coalition* (also linked in the Required Resources), address the following for your selections:

- Consider workers, immigrants, and African Americans. Explain how minorities were represented by the New Deal.
- Analyze to what extent you think that the New Deal effectively ended the Great Depression and restored the economy.

### Follow-Up Post Instructions

Compare your selections and analysis of selections with those of your peers. If they chose different events, examine how yours are similar and/or different. If they chose the same events, build on their posts by providing additional information about the events that you have not already noted in your own post.
