

Module 6 Weekly Discussion

The discussion question can be answered any day of the week and due by Sunday evening 11:59pm MT.

This discussion assignment represents the critical thinking skills employers are looking for.

Requirement is at least two sentences.

Return often to communicate with fellow classmates regarding the topic of the week. Interaction is encouraged however, not required.

Module 6 question: My favorite section/chapter of ICD-10-CM so far is _____ because...

My favorite section/chapter of ICD 10 CM so far is the Drug and chemicals. I have really enjoyed this part because it's not so confusing.
