Online Resources The "ISBAR" Communication Technique	The ISBAR Communication Technique https://www.hse.ie/eng/services/publications/clinical-strategy-and-programmes/news-isbar-communication-tool.pdf

Introduction:

What are data? How do data, along with technology and informatics, impact the way we learn? Think of the ways you have used data and information in the past several days. Can you see the relationship between data, information, and knowledge and how they can guide us in our quest for wisdom?

It has been recognized that nurses use data and information. This information is then transformed to knowledge. The nurse then acts upon this knowledge by initiating a plan of care,
