

**NR 393 Week 1 Discussion: Reflection on Leadership and Provision of Care
(With Responses)**

Reflect on your current practice. How does nursing history impact your leadership and/or care provision? Please include specific nursing history persons or events in your reflection.

Hello Professor and classmates,

Currently, I work as a flight nurse in an extensive flight program in the eastern United States. The Main office is in Pittsburgh, Pennsylvania; it is part of the University of Pennsylvania Medical Center. We have eighteen bases throughout Pennsylvania, Ohio, and New York. We work two 24 hr. shifts a week. Flight nursing is different than any other nursing you will ever experience. It is just my partner and me out there to save someone's life. There is so much excitement in not knowing what challenges will be waiting. I know, I am an adrenaline junky. The equipment that we carry is ready for
