

NR393 COURSE PROJECT PHASE 2: CONVERSATION WITH THE SELECTED NURSE TEMPLATE

Directions: Prior to completing this conversation, carefully review directions, tutorial, and rubric for this assignment. Replace “Name of Student” with your first and last name. Replace “Name of Selected Nurse” with Selected Nurse’s first and last name. Use exact words spoken by each person if using as a transcript. **Highlighted *italicized* questions** need to be stated exactly.

For Example:

Selected Nurse States Verbal Permission for Conversation and Submission (25 points)

Karen (Student): Do you agree to this recorded conversation and submission to my instructor for grading purposes?

Margaret (Selected Nurse): Yes. I agree

Student Name:

Introduction:

Student Introduction and Statement of Purpose (20 points)

Alina Holmes (student): My name is Alina Holmes I am currently working in Intensive Care Unit, and I love what I do and how much I get to learn along amazing knowledgeable nurses like Amie Johnson. This interview with Amie will help me understand more on how knowledge and confidence is build. How nursing history, memories and experiences are made over years. Nursing is an occupation where you share lot of emotions with your coworkers. You are sad together, cry, happy, being there
