

## **Week 7 Discussion: Applying and Sharing Evidence**

1. Select and describe one of the Discussions or Conclusions from the required article from the Week 6 assignment that you found interesting and applicable to practice. Describe how you would apply the evidence to improve nursing practice. Explain your answer.
2. Discuss ways you would disseminate research-based evidence; how would you share with your peers? Include your thoughts on why it is important for you to be involved in communicating and applying nursing research evidence.

**Answer:**
