

Week 7: Discussion: Communities and Disaster Preparedness

Think about disasters your community has or could potentially face. Now, think about how your community is helping its members prepare.

1. Explore your community and find an advertisement that represents helping community members be prepared for a disaster.
 - Examples could be a billboard, poster at a bus stop, marquee sign, flyer, yard sign and more. **Example:** Sign advertising 'free' flu vaccinations at a local pharmacy.
2. Upload that picture into the discussion.
 - To have it display in your post:
 - Click the embed image (looks like a picture of a mountain),
 - Choose upload image from the drop down arrow
 - Click on the Upload Image (rocket ship) icon
 - Click on the image you want to display
 - Choose Open
 - Click Submit
3. Describe the message the advertisement is conveying.
 - Describe how the message impact preparedness.
4. If you cannot find any advertisement in your community, describe a type of advertisement for disaster preparedness you think would be most beneficial to your community and how it would be best conveyed.
5. Next, identify one community setting that is impacted by the disaster advertisement you shared.
 - Settings:
 - Correctional facilities
 - Home health
 - Schools
 - Forensic areas
 - Hospice
 - Faith communities
 - Occupational health
