

Week 1 Discussion: Reflection on Leadership Self-Assessment Purpose

The purpose of this reflection is for learners to review leadership skills and assess their readiness for leadership in the future. Course Outcome

This reflection enables the student to meet the following course outcome:

- CO 1: Apply leadership concepts, skills, and decision making in the provision of quality nursing care. (PO 2) Directions

Reflection is an activity that involves your deep thought into your own experiences related to the concepts of the week. Answers should be detailed.

Use the rubric on this page as you compose your answers. Scholarly sources are NOT required for this reflection.

Reflection Question

- Based on the results you obtained from the Foundation of Nursing Leadership self-assessment in Week 1 Lesson, reflect on the questions below and share in a post.
- What is your current leadership style?
- How does your leadership style impact your decision making in nursing care?
How will you further develop your leadership skills?
