

## **Week 1 Reflection on Learning**

Student Name

Chamberlain University

NR505NP Advanced Research Methods

Dr. Lawren Mundy

Due Date

**Reflection: write 1-2 paragraphs reflecting on your learning for the week. Guiding questions are provided or you may write about what you felt was most significant to you for the week.**

- **What experiences have you had with EBP or QI in your practice area?**
- **What factors in your practice area support EBP? What barriers to EBP do you see?**
- **What do you think your role in research will be as an NP?**
