Dr. Stacy Thibodeau

Due Date

Dr. Thibodeau and class,

For week three we were asked to find a state or national coalition that has advocated for our approved healthcare policy concern. This module asks us to point out any coalition partners and to recognize any outstanding leaders. We should include any successes that can suggest strong leadership and guided to focus on certain points from the coalition that could add to our upcoming presentation with our elected official.

In my research for my coalition, I referred to an article from the Centers for Disease Control, that dealt with “High School Youth Risk Behaviors” (CDC, 2020). The article had resources to both state and federal agencies in connection with unwanted teenage pregnancy. This led me
