

## Week 2: Weekly Group Study

### Discussion

#### Overview

This is an ungraded discussion forum designed to help you interact with your peers in a group learning environment. Write one exam style question from this week's content to support the study of concepts presented. It is recommended that you use the study guides provided in Week 4 to develop a question related to this week's content.

\*\*\*Disclaimer: Questions should be reviewed by the group for correctness.
