

## **Week 8: Touchpoint Reflection: Finance, Budgets, and Business Plans-Oh my**

### **Guidelines for Touchpoint Reflections**

A downloadable version of the guidelines, which includes further information, is available for access on the Course Resources page.

### **Reflection Information**

This is the final week of discussion and there are two important areas of reflection included in this discussion. Please label each area with a heading to facilitate classmate and instructor response

#### **EXPERIENCE**

- Post your executive summary.
- Compare your pre-and post-self-assessments.

#### **REFLECTION**

- Discuss the strengths and weaknesses to the business plan for your final proposal.
- Identify areas of strength and weakness related to financial and budgeting principles.

#### **IMPLICATIONS FOR THE FUTURE**

- What adjustments are needed for you to create the most compelling plan?
- What concepts from the course do you need to study further?
- What is your plan for enhancing your knowledge of finance and budgets in the healthcare organization?
