

# SOCIAL JUSTICE

## FELON

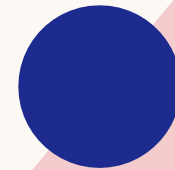

Chamberlain University

NR 577 -

Primary Care Management of  
Adolescents and Adults

# Introduction

- ANA Ethics and Social Justice
- Social Justice and Equity
- Power and Privilege
- Media
- Contributions
- Promoting Social Justice
- Conclusion

# ANA ETHICS AND SOCIAL JUSTICE

- Reflect on the ANA's Code of Ethics and its role in social justice.
  - Provision 8 - Nurses' Role in Ethics and Human Rights
    - Duty to Advocate, guide understanding, and promote for individuals in marginalized and vulnerable populations.
  - Provides guidance to follow for decision-making
  - Obligated to reduce disparities and promote health and human rights. (Russell, 2020)

# ANA ETHICS AND SOCIAL JUSTICE

- Explain why Social Justice in relation to felons is important to the nurse practitioner practice and health outcomes.
- AGPCNPs have a duty to advocate for all individuals
  - Ensure Social Justice
  - Develop, Oversee, and Implement Policies
  - deliver high-quality, safe care to patients without judgment or discrimination.  
(Ballard, 2023)

# SOCIAL JUSTICE AND EQUITY

- Discuss the topic of social justice and equity for felons.
  - Two sides
    - “Done their time”
      - Should be allowed to vote
      - same opportunities (employment, housing)
    - “Punished forever”
      - Not allowed to vote
      - Restrictions

# SOCIAL JUSTICE AND EQUITY

- Describe the impact of conscious and unconscious bias on social justice and equity in relation to felons.
  - Criminal Justice System in U.S. targets minority populations.
  - Impact of conscious and unconscious bias on social justice and equality
    - impacts decisions, policies, sentencing, prison time, parole conditions, employment, housing, etc.
    - Bias of gender, socioeconomic status and ethnicity. (Kovera, 2019)

# POWER AND PRIVILEGE

7

- **After Incarceration**
  - Face challenges when reentering society
    - establishing housing
    - Employment
    - health services
    - mental health services
    - issues with substance abuse.

2021)

(Conyers et al.,

# POWER AND PRIVILEGE

- Face discrimination
- Self-esteem
- Mental health
- Lower-quality jobs
- Less access to healthy living conditions. (Conyers et al., 2021)

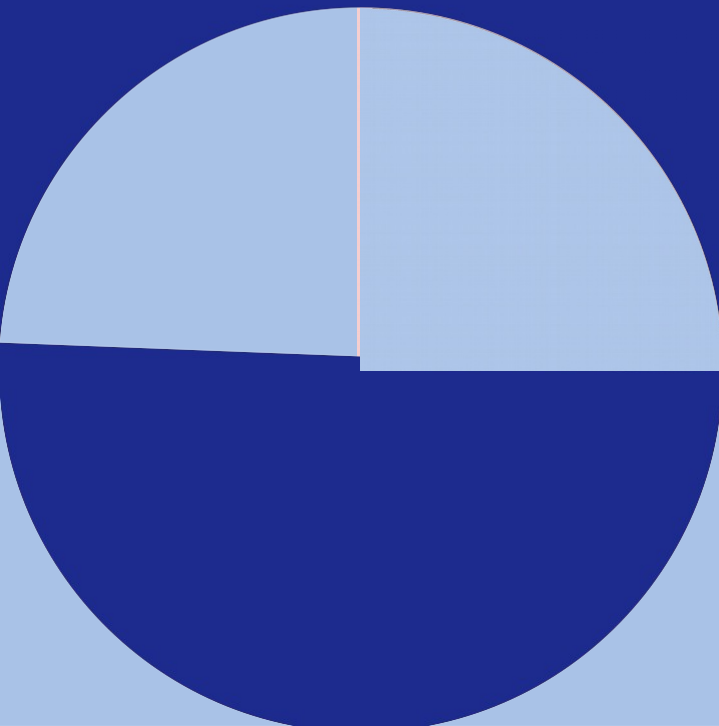

# MEDIA

- Analyze the role of the media in affecting change in matters related to felons and equity.
- 
- Media outlets are the primary source of information
  - Plays a major role in forming their opinion
  - Can influence information related to a felon and equity
  - (Rosenberger & Dierenfeldt, 2021)

# CONTRIBUTIONS

- Evaluate the contributions of individuals, groups, or movements participating in the fight for equality and social justice for the assigned population.
  - The Second Chance Act
  - Criminal Justice Reform Legislation
  - The Restoration of Voting Rights

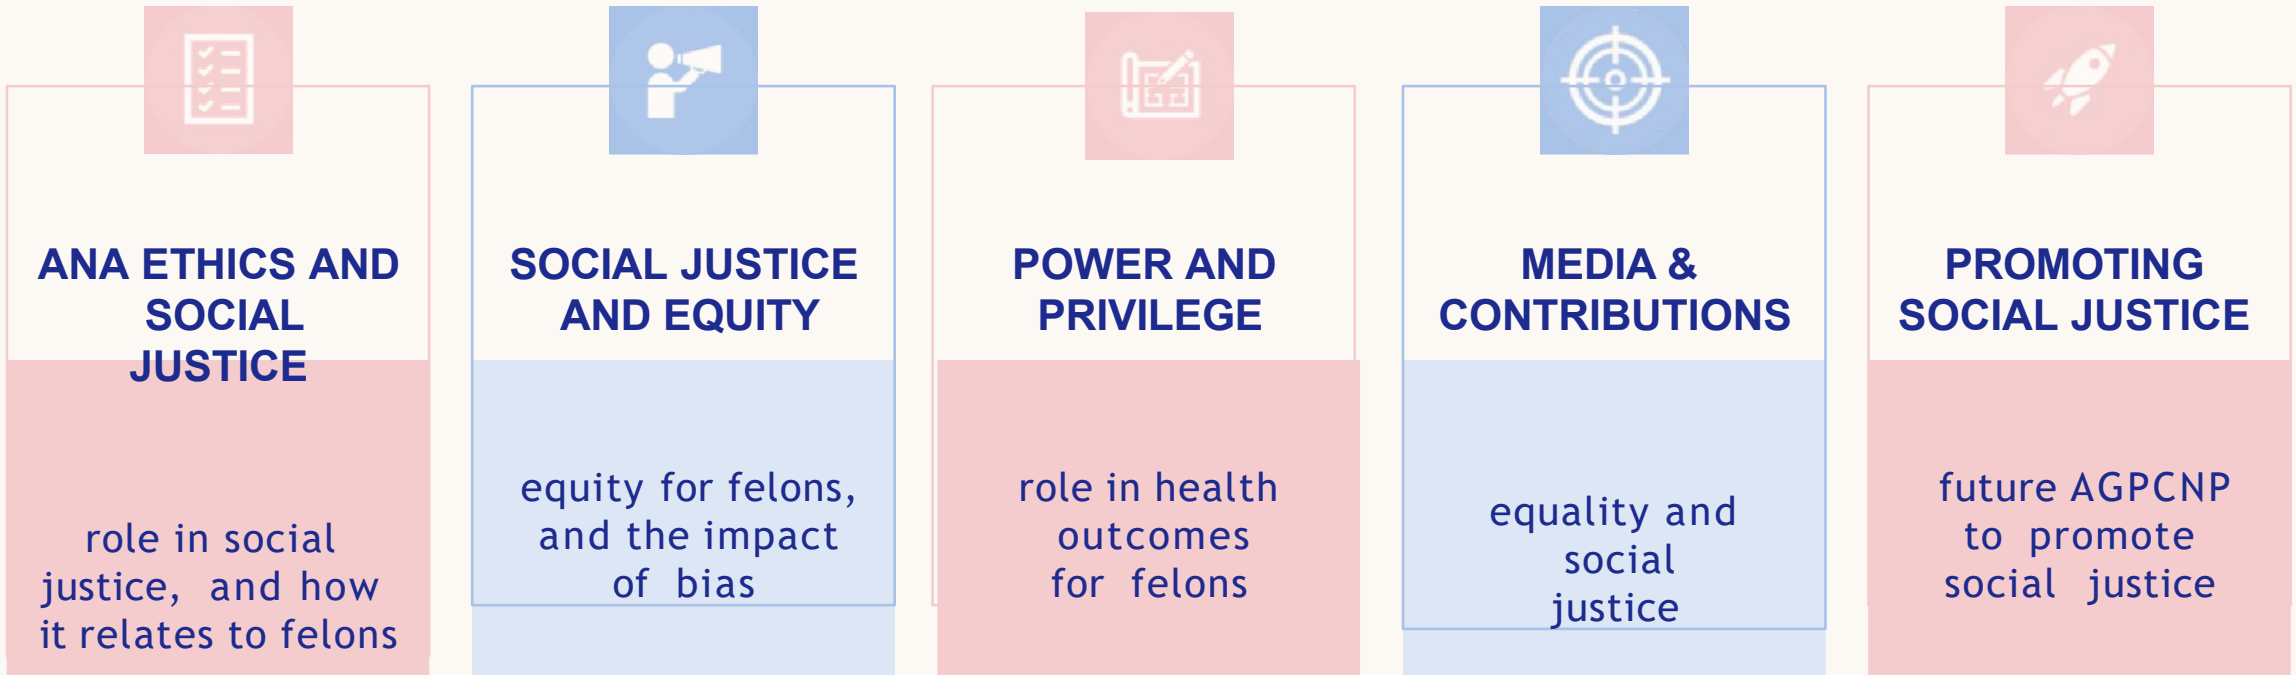

# PROMOTING SOCIAL JUSTICE

• Describe what you will do as a future AGPCNP to promote social justice personally and professionally. Outline a plan to address

equity and social justice in relation to the assigned population.

- Continued Education
- Encourage patient to be part of their plan of care
- Community Engagement

# CONCLUSION
