\*\*\*\*\* Please remember the total number of hours spent in clinic is not the same as time spent with the client. Logging the time spent with the client is a requirement when completing the logs.

Your instructor will only approve time with patients as defined below:

- Face-to-face experiences with each patient
- Lab reviews, telephone management, and prescription refills entered in the clinical log as separate patient encounters (limited to 15 hours total each session)
- Telehealth (limited to 125 hours total for the program)
