

National Organization of Nurse Practitioner Faculties (NONPF) Competencies

For each of the nine NONPF competencies, write one paragraph explaining how the program has prepared you to meet it (for a total of at least nine paragraphs). Then, propose and explain how you plan to engage in social change in your community as a nurse practitioner. Be specific and provide examples.

Assignment on the nine NONPF competencies, write one paragraph explaining how the program has prepared you to meet it (for a total of at least nine paragraphs). Then, propose and explain how you plan to engage in social change in your community as a nurse practitioner. Be specific and provide examples.
