

NRS-428VN: Indirect Clinical Experience Hours: Teaching Plan

The RN to BSN program at Grand Canyon University meets the requirements for clinical competencies as defined by the Commission on Collegiate Nursing Education (CCNE) and the American Association of Colleges of Nursing (AACN), using both direct and indirect clinical experiences for practicing nurses. This course requires students to complete 25 hours of indirect clinical experience involving the development and implementation of a teaching plan at a community/public health location in their local community.

Complete the table below by indicating the date each required activity was completed and submit in the online classroom.

Date Completed	Hours	Indirect Clinical Experiences and Activities
1/20/23	4 hours	Perform needs assessment that includes assessment of environmental factors, socio-economic/cultural/political disparities, beliefs, attitudes, practices, and health literacy, and conduct an interview with the chosen representative. <i>Submit the following:</i> <ul style="list-style-type: none">• Topic 4: Signed "Representative Interview Acknowledgement Form"• Topic 4: Community Assessment and Representative Interview Analysis PowerPoint Presentation
1/18/23	6 hours	Research evidence for the chosen teaching topic, including behavioral change theories and techniques to promote health management.
