

## **Topic 1 DQ 1**

### Assessment Description

**After reviewing the course textbook, summarize the history of nursing research. Discuss the importance of nursing research as it relates to applying evidence in practice (evidence-based practice).**

**Initial discussion question posts should be a minimum of 200 words and include at least two references cited using APA format. Responses to peers or faculty should be 100-150 words and include one reference. Refer to "RN-BSN Discussion Question Rubric" and "RN-I3SN Participation Rubric" located in Class Resources, to understand the expectations for initial discussion question posts and participation posts, respectively.**
