

**Topic 2 DQ 1**

***Identify at least two regulatory bodies, and your state's nurse practice act, that specify certification, licensure requirements, or scope of practice for your specialty. Discuss the way these influence the educational requirements and experiences for your specialty. Advanced practice registered nurses must incorporate the APRN consensus model in their response.***

***In your response to peers, discuss a specific guideline or change imposed by a regulating body or industry regulation and explain the how this affects your daily practice. Cite at least one source to support your response.***
