

Topic 3 Discussion 2

What is your personal worldview? Connect your worldview to cultural and spiritual humility. How will your worldview and cultural and spiritual humility affect your role and scope of practice as an advanced registered nurse? Consider both the provision of safe, quality care to diverse populations and interprofessional relationships.

In response to your peers, what components of your worldview would be important to integrate into a nursing theory? Think deeply about your views and patient care. This will help prepare you for the Topic 4 assignment. Cite at least one source to support your response.

Answer:

My worldview is to treat others as I would want to be treated. As a nurse, you encounter a lot of diversity in the patients you care for. This can make you think about who you are, how you handle situations, and how you are perceived. When I connect my worldview to cultural and spiritual humility, I know I will be able to practice my scope and role as an advanced nurse the same way I practice nursing today. Spirituality is viewed differently by everyone. Spirituality can be considered a connection to God, nature, others, and surroundings (Paul Victor & Treschuk, 2019). I believe in a higher power and have faith in ideas, thoughts, feelings, things, and people. Understanding that everyone may practice spirituality in diverse ways allows you to
