

Week 6 Quiz

1. If you have two articles written by Jeff Smith in 2004 cited in your paper and on your reference list:

Both in-text and on the reference list, you should put letters after the year to tell them apart (e.g., Smith, 2004a and Smith, 2004b).

2. Caldwell and Hayes published an excellent paper in the 2007 issue of the Journal of Management Development and you would like to summarize a claim from this resource. Which of the following represents the correct APA in-text citation format?

Great leaders achieve their success because they understand who they are (Caldwell & Hayes, 2007).

3. Access ProQuest Health and Medical Complete and search for the 2014 article "Core Communication Competencies in Patient-Centered Care." According to the article, health literacy is a tool used in which of the following?

All answers are true

4. Which of the following are correct formats for an APA paper:

Times New Roman font, double spaced, 12 pt. font

5. Caldwell and Hayes published an excellent paper in the 2007 issue of the Journal of Management Development. You would like to directly quote from page 275. Which of the following represents the correct APA in-text citation format?

"The study shows that the actions of leaders in the areas of image management and relationship development impact employees' perceptions of trustworthiness" (Caldwell & Hayes, 2007, p. 275).

6. Which of the following is most correct for a direct quote (using APA format):

"Integrity is the quality of honesty and trustworthiness" (Northouse, 2005, p. 21).

7. Use the CINAHL Complete database to search for articles about adolescent development
