

POLI 330N Week 1 Discussion; Determining Democracy (Option 2)

- **Option 1:** Does democracy require equality of income or wealth? Discuss why democracy might make a country more or less egalitarian?
- **Option 2:** Political scientist Larry Sabato has proposed a [new constitutional convention \(Links to an external site.\)](#). Select any one of his proposed ideas and write a short list of pros and cons for this idea and support your reasoning.

Option 2:

In Sabato's proposal for political improvement, I chose #2. Sabato's idea that former presidents and vice presidents should be placed in an office named "National Senator" is intriguing (Sabato, L., 2007).

Pros:
