Preceptor: Nichole Paulk

Preceptor Email: Nichole.Paulk@adph.state.al.us

Field Site State: Alabama

Type of Clinicals: Onsite

At this time, we are awaiting approval of your practicum placement from your state Board of Nursing so we are unable to approve your practicum application has, however, been pre-approved. Once we receive official approval from your state Board of Nursing, we will forward your application and process your course registration.

GENERAL REMINDERS:

While we are awaiting communication from your state Board of Nursing, you can ensure that you are ready for practicum by reviewing the following:

1. Registration Restrictions: Please resolve any registration restrictions on your account to prevent any course registration issues:
 - a. If you have a hold on your account, please contact the appropriate department to resolve the hold issue.
 - b. If you are on a leave of absence or inactive, please contact Student Success Advising to submit a request to return from leave.
2. Onboarding Requirements:
 - a. Contact the administrator at your field site to ensure you have completed all of the field site requirements in order to begin your practicum. It is important to confirm your placement at the field site to avoid any delays.
 - b. If your field site requires Walden University to complete any additional onboarding requirements, please contact us immediately.

Please note: At this time, you have completed all the Walden onboarding requirements. This application for approval is through Walden University.
