### PLEASE CONTACT US IMMEDIATELY IF ANY OF THE FOLLOWING APPLY:

- You do not plan on using the above listed field site or preceptor for this quarter.
- You need to change or add a new preceptor or field site for this quarter.
- The preceptor name or email listed in your application is incorrect.

### NEXT STEPS:

#### 1. Onboarding Requirements:

- At this time, you have completed all the Walden practicum requirements.
- Contact the administrator at your field site to ensure you have completed all of the field site requirements in order to begin practicum at the site. It is important to confirm your placement at the field site to avoid any delays.
- If your field site requires Walden University to complete any other onboarding requirements, please contact us immediately.
- You will need to be sure to update any expiring onboarding requirements in CastleBranch during the practicum course to keep all requirements current.

#### 2. Course Materials:

- You may begin ordering your course materials for this course now that you are registered.
- Instructions on how to order course materials are located in your student portal under
