LATEST	<a href="#">Attempt 1</a>	117 minutes	250 out of 250

 Correct answers are hidden.

Score for this quiz: **250** out of 250

Submitted Dec 16 at 12:35pm

This attempt took 117 minutes.

**Question 1**
**5 / 5 pts**

(CO 1) Which of the following is *true* regarding the science of nutrition?

---

As compared to many other scientific disciplines, nutrition is a young science.

---

Discoveries by the first nutritional scientists established the connection between deficiencies and illness.

In developed countries, current research in nutrition focuses on the relationship between diet and chronic diseases.

All of these items listed are true.

Chapter 1

## Question 2

5 / 5 pts
