

Week 7 Discussion: Think Globally, Act Locally

Required Resources

Read/review the following resources for this activity:

- Textbook: Chapter 15, 16
- Lesson
- Minimum of 1 outside scholarly source

Initial Post Instructions

For the initial post, address the following:

- What items that you frequently use do you think have the greatest negative impact on the environment?
- Explain how the use of the item impacts the environment and the people in your community?
- What steps do you or your family members take to lessen your impact on the environment?
- What are some approaches communities could take to encourage members to reduce waste?

Follow-Up Post Instructions

Respond to at least two peers or one peer and the instructor. Further the dialogue by providing more information and clarification and/or include perspectives from outside scholarly sources shared in the discussion forum by classmates and/or the instructor.
